CLASS OF 2019 FIRST DESTINATION CAREER OUTCOMES

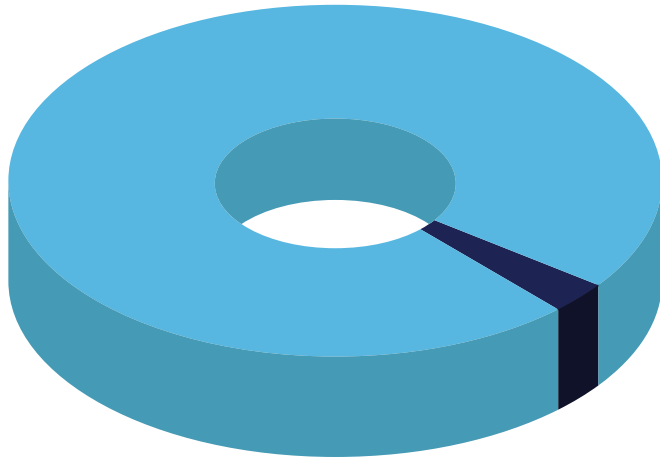

Thomas Jefferson University prepares students not only to land top internships and jobs, but to become industry leaders. At Jefferson, we call our transdisciplinary, professionally focused approach to education Nexus Learning™. Consistent with this approach, the Marianne Able Career Services Center assists students and alumni in capitalizing on their Jefferson experience, helping them achieve their professional goals.

This report includes data from undergraduate day students who graduated from **Jefferson's East Falls Campus** in August 2018, December 2018, and May 2019. Statistics are derived from a survey collection pool of 376 graduates from a total graduating class of 486 (representing a 77% knowledge/response rate). Response sources include: self-reported survey responses, faculty/staff outreach, and LinkedIn profile verifications. Of the 376 graduates with information provided, 365 or 97% have reported post-graduation employment in fields related to their major/career interests or graduate school acceptance.

Further broken down, 284 graduates are employed (78%); 78 are enrolled in graduate programs (21%); 3 are completing a year of service (1%); and 11 indicated they were still seeking employment in their field of study at the time of this report (3%).
