JEFFERSON

We are **more than 65,000 people** reimagining health, education and discovery. We are many things, but every day all of us are dedicated to one thing:

IMPROVING LIVES

A photograph of the Jefferson University building at dusk. The building is illuminated from within, showing office spaces. The word "Jefferson" is written in large, white, sans-serif letters on the top left of the building, with a blue stylized "J" logo to its right. Two American flags are flying on tall poles on the roof. In the background, a city skyline is visible under a colorful sunset sky with pink, orange, and blue clouds. Notable buildings include the Comcast Center and the Philadelphia City Hall.
