All students will graduate in December 2026. *There is no additional tuition charged in Year 3; students may apply for financial aid for living expenses.		

Illustration based on a 3% increase annually; fees are subject to change. IT fee includes distance education fees. Students should also plan to spend \$250-350 on required clearances for the 2-year program. Book/supply cost is approximate. Students are required to have health insurance. The University has a vendor for this.
