# Jefferson East Falls Campus

# Program Attributes

# DEC Core Curriculum

- Students gain the added value of expertise in related fields as well as deep discipline-specific knowledge.
- Designers, engineers, and entrepreneurs learn and work together to come up with solutions to problems in their industries and become more effective leaders in their future professions.

# Program Attributes

- **Nexus Learning** - active, collaborative, real world experiences infused with the liberal arts
- **Small class sizes** - get to know your classmates and benefit from individual attention from professors
- **Faculty** - practicing professionals within the field they teach
- **Professionals from Day 1** - faculty treat students not as first-years, but as future industry leaders
- **Industry-Sponsored Projects** - employers are brought to campus for students to begin real world projects and interactions as early as the first year

# Nexus Learning

Preparing students for the *real world*
